

HOW WYOMING TAXES COMPARE REGIONALLY

SOURCE - 2016 STATE TAX HANDBOOK BY CCH

Tax	Wyoming	Idaho	Montana	Colorado	South Dakota	Utah
PROPERTY	State and local rates fixed to meet budget. Property is assessed at 100% of fair market value for gross mineral and mine products. 11.5% for industrial purposes, and 9.5% for all other property, including residential. Pipeline companies, electric utilities, railroad companies, rail car companies, telecommunication, cable and satellite television companies are assessed on fair market value of property. Local property taxes also apply.	County and municipal - fixed within statutory limits to meet budget. The state property tax is not levied so long as the sales and use tax is in effect.	All taxable property is assessed at 100% of market value, unless otherwise specified. Taxable property, real and personal, is divided into 14 distinct classes for purposes of assessment and taxation. Aggregate of state, county, city and school rates fixed annually to meet state and local budgets.	Sum of state and local rates fixed to meet budgets. Based on actual value of real property and tangible personal property. Residential realty is assessed at 7.96% of actual value and all other property is assessed at 29% of actual value.	Aggregate of state and local rates to meet budget requirements, subject to limitations. Based on the true and full value (taxable value) of the property. Personal property is exempt, except for specified centrally assessed operating property.	Aggregate of state and local rates fixed to meet budget. Tangible personal property and real property, except residential property: 100% of fair market value. Residential owned by senior citizens claiming tax abatement for the poor: 35% of fair market value. Other residential property: 55% of fair market value.
